SKILLS

Product Strategy, Roadmap Development, User Stories, Wireframing, SQL, Mixpanel, Google Analytics, Jira, Confluence, Figma, A/B Testing, Product Analytics.

EXPERIENCE

Senior Product Manager | Unacademy

01/2022 - Present

- Led the learner monetization team, increasing paid subscription conversions by 18% through optimized onboarding flows and pricing tiers.
- Managed a cross-functional squad of 12 engineers, 2 UX designers, and 1 QA analyst using two-week Scrum sprints.
- Conducted user interviews and competitive analysis to shape the 12-month product roadmap.

Product Manager | BYJU'S

07/2018 - 12/2021

- Defined requirements and specs for interactive learning gamification modules used by over 5M active students.
- Tracked core metrics (DAU, MAU, retention rates) using Mixpanel and built SQL queries for user journey analysis.

EDUCATION

MBA | IIM Bangalore (2018)

B.Tech in Electronics Engineering | Jadavpur University (2016)
